

## Dalbo TRIMAX PLUS 300 NSH [10377]

Baujahr: 2023

Datum: 03.07.2025

Bauart:

Bodenbearbeitungsgerät

Kategorie:

Grubber

**49.500,00 PLN**

zzgl. MwSt. 23% (60.885,00 PLN Brutto)

### Ausstattungen

|                  |                                                                                                                                                                                                                                                                                                                      |
